White Oak stair parts

e-mail sales@cptimber.com

CP Timber carry in stock a trade range of stair parts in White Oak.

Although this is our standard range, if you have specific sizing or profile requirements we can bring these in to order, depending of course on quantity & your required lead time.

We have our own inspector to spot check all shipments at the factories before they are shipped.

All items are individually cardboard boxed where appropriate.

Our stock is available in Denholm, Liverpool and if you would like to meet us there to inspect the stock we would be very happy to arrange it.

Please call if you would like any additional information or have any questions relating to these products.

Stringers – various veneer thickness and sizes

Treads – square nose, rounded nose, standard or with returns

Handrail – moulded stock profile for 41mm spindle with a fillet

Baserail – moulded stock profile for 41mm spindle with a fillet

Newel blanks – 90x90 and 96x96 in various lengths and construction
